

Almacen View Home

This home is all about the view. High above Zihuatanejo Bay in Almacen is a home where you can overlook paradise. The living area and pool of the property has a stunning wide open view of Zihuatanejo Bay, downtown, Playa Madera, Playa la Ropa and Playa Las Gatas.

The air conditioned main house consists of a bedroom with full bath, small office area, living and dining room with ½ bath, complete kitchen and laundry room. Floor to ceiling windows allow a panoramic view from the kitchen, living and dining room. This home is sold fully furnished with a large screen TV that is set up as a home theater. The shallow infinity pool in front of the house allows you to float above Zihuatanejo bay.

To the rear of the main house is a small, air conditioned efficiency apartment with full bath and kitchenette.

The main house was totally remodeled just 3 years ago. There is room on this 684 square meter (7350 square foot) lot for additional construction.

Price Reduced to \$470,000 USD
