

Casa Cuatro Vientos - Three story, three bedroom, three bath home near Playa la Ropa

Lot size: 764 square meters (8,220 ft²)
2,400 square feet (223 m²) under roof construction
Total construction is approximately 3,300 square feet

The lower floor of this residential property consists of one bedroom, one bath, sitting area, laundry/storage area and a small patio.

On the 2nd floor is a large bedroom, bath and kitchen with storage.

The 3rd floor holds one bedroom with large terrace and one bathroom. The 3rd level deck also offers an open-air “summer kitchen”. There are limited bay views from upper stories.

At street level is a one car garage. All bedrooms have air conditioning. The upper portions of the lot afford nice bay views with room to build additional bedrooms or living space.

Offered at \$600,000 USD
