

Tuyakuá Work Progress

MONTHLY REPORT

DECEMBER 2023

Throughout the month of December, we kept working on:

- Acacia tower and common areas.
- Bugambilia tower. Foundations and first level.
- Camuchin tower. Inside and outside of all villas, the roof of the building and the stairs to connect both Bugambilia with Camuchin and the lobby.
- Durazno tower. Foundations.

Also

- First elevator

(All pictures appear in chronological order)

Acacia tower (villas' interior)

Acacia tower (common areas)

Bugambilia tower

Camuchin tower

Durazno tower

Also...

- First elevator was already ordered and will be installed in about 6 months. It will go from Tuyakuá lobby and parking area to Acacia penthouse level, giving service to all levels of both Bugambilia and Camuchin towers.

Thank you.
